

Excerpt from Christ Invisible Our Gain The idea of this book originated in some casual talks from time to time with friends, chiefly young men who were troubled and perplexed about many things. Labouring under misconceptions and confusions of thought that are but too common, they were embarrassed with difficulties not exclusively religious or scientific, but common to the whole range of knowledge. Their chief interest and concern lay, however, in the bearing of such problems on religion. For no polemical ends and in no spirit of captious criticism or idle curiosity were they thus exercised. They aimed sincerely and earnestly at religious edification and further enlightenment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
