

Ten ethnic versions of Cinderella story from Africa, the Americas, Asia, Europe, and Middle East are summarized and worked into lessons for the middle and upper grades. Each story is accompanied by a Booktalk for review, a Motifs & Ideas for discussion, a Connection to a subject area, and a Vocabulary for cloze exercise. Answer Keys, Group Activities, and Self Evaluation are also provided for maximum learning results. These ten Cinderella tales provide an assortment of stories from around the world that create natural bridges to other curricular areas. Teachers may use the lesson plans as a comprehensive language arts unit that can be integrated with other subject areas, or choose individual lessons with stand-alone worksheets that support and offer practice for concepts already introduced.
