Therefore, you will learn how to get your finances where it needs to be by using your faith. In this book you will learn principles, processes, guidelines, and how some of habits may be a faith killer in your life. There are things that will kill your faith, and things that move faith forward. Bishop, in this powerful "Partnership Series" teaches you the difference. We talk about identifying your faith level and how it has a direct effect on you, your development, and results you get in life. For instance, you may have little faith, great faith, weak faith, or dead faith, but you need to know where you are in your faith level. Bishop RS Walker found sound principles through many things, which have impacted his life, and shifted him out of a life of stagnation into a life of blessings. Some of the people that had a major impact upon his life are the late Bishop James and Apostle Betty Peebles, Bishop Ralph L. Dennis, Drs. Michael and Dee Dee Freeman, and Kenneth and Gloria Copeland. Many of those same powerful principles, Bishop RS Walker is now sharing and pouring into the lives of those that are being mentored and taught by him. Partner with us Today! www.bishoprswalker.com
