1) If you're not seeing your steps in the Virgin Pulse mobile application, steps tracked might not always display in the Stats section of the home. I quickly grew accustomed to checking my current step count with a quick glance at my Fitbit, and didn't like that my Apple Watch made me dig. Thanks to Apple Health, you can track your steps using your iOS device, either if you don't have a Nokia tracker or if you've forgotten it at home. Compatibility.
