

Pupils can quickly get to grips with KS2 grammar and punctuation using questions that become progressively more challenging. Fully in line with the new National Curriculum.

– Clear explanations and worked examples ensure pupils grasp concepts quickly. – “How did you do?” checks at the end of each topic allow pupils to self-evaluate their work. – Regular progress tests assess pupils’ understanding and give them the chance to recap on their learning. – Answers to every question provided in a pull-out section at the centre of the book.
