

In the spirit of *The Perfect Storm* and *Shadow Divers*, *Sailing into the Abyss* presents a minute-by-minute account of the sinking of the Merchant Marine vessel the SS *Badger State*, a cargo ship loaded with bombs being sent to support US troops in Vietnam. A true story that rivals that of any fiction thriller, *Sailing into the Abyss* uses eyewitness accounts, official documents and rarely seen photos to relate what would become the deadliest sea disaster of the Vietnam War. *Sailing into the Abyss* compellingly documents a tragedy while celebrating the triumph of the human spirit in the face of adversity.
